Dear Ms. Benedict:

Thank you for the generous donation of \$250.00, check # 2888, to the Lower Makefield Township Veterans' Committee.

This letter acknowledges that all proceeds are used only for charitable purposes and no goods or services were received in exchange for this donation. Please retain this letter with your tax records.

We greatly appreciate your support as we move toward our goal of creating a monument to honor our veterans in a park setting where families, friends, and neighbors can gather for public functions.

Please check our website www.lmtmemorial.org and/or the Lower Makefield Township website to learn more about upcoming events and to see how you can continue to be involved.

Sincerely,

Richard K. Robertson
